

BALANCE

Towards Sustainable Financial Management of Cambodian Universities

BALANCE is an international cooperation project that aims to sustainably strengthen financial autonomy and accountability of Higher Education Institutions in Cambodia in order to maximize the social return on investment in higher education in Cambodia

How we will do it

Promoting

the modernisation of human and organisational capacities of financial management in 11 Cambodian public Higher Education Institutions

Improving

the efficiency, transparency and productivity of financial management in Cambodian Higher Education System through the involvement of the Ministry of Education Youth and Sport and Ministry of Economy and Finance

Enhancing

national collaboration through the creation of an efficient and sustainable network among Cambodian Higher Education System and relevant stakeholders
